Welcome to Après Ski Club.

Our core activity is skiing, regular downhill, snow boarding and cross-country. We race with Open League (OLRC); ski racing includes snowboards and has classes for all age groups and skill levels.

However we are a year round club and include tennis, bicycling, hiking, roller blading, backpacking and kayaking in our activities. We also arrange social events like dinner groups and theatre outings.

Communication

For regularly updated information, visit our Web site at www.apres.org. We also use the YahooGroups e-mail distribution network for announcements. To join send an e-mail to:

apres-subscribe@yahoogroups.com

Après publishes The Scribe, a monthly newspaper, available at meetings and by request through the mail. To request mailings, please contact Sharon Antonelli at:

santonelli@mindspring.com

Regular Meetings

Après meets the second Wednesday of the month for socializing and activity announcements. During the summer we meet for a park barbecue, during the winter at various indoor locations. We also gather every Friday for TGIF, again at various locations. See the Web site or The Scribe.

Ski Lodge

Our wholly owned lodge is located in Kings Beach at Lake Tahoe (north) and is well sited for Northstar, Alpine Meadows, Squaw Valley, Mount Rose and many other resorts. It sleeps 30, includes a fully equipped kitchen, level on-site parking and a hot tub.

Our ski lodge is a wonderful place to stay in the summer too with the beach at Lake Tahoe just 5 minutes walk away and many trails for hiking and bicycling within walking distance or a short car ride.

Accommodation starts at just \$20 per night per person for unorganized weekends or events. Deluxe (2 person rooms) are \$5/night extra and need reservations for Fridays and

Saturdays. Remember to bring bedding (most use a sleeping bag), a towel and your checkbook. On-line room payment by Paypal is now available. We also have organized weekends where the weekend package cost is around \$70 and includes accommodation, food and social activities.

Trips

Après organizes at least one ski trip every year to a domestic or overseas location. Après is a member of FWSA and BAC and this entitles members to participate in their organized trips, which include summer destinations.

Snow Season Kickoff Party (SKOP)

Every year we prepare for the ski season with our SKOP. This is an event that members and anyone interested in sporting activities or just having fun should not miss. It's

held around the middle of November and usually includes trade booths, a silent auction, door prizes and give-aways not to mention dancing to a live band.

We are glad to welcome you and hope to see you soon.
